SELECTMENS NARRATIVE

Every year when we write the Selectmen's narrative, we try to cover all the past year's accomplishments and things yet to be done. The job of Selectman is no longer confined to the once a week meeting. There always seem to be other meetings to attend or another Board to meet with! Understandably, there doesn't seem to be too many people who are willing to run for the office. Nevertheless, even with the added work load, the present Board of Selectmen feel their accomplishments have been many and quite progressive in the many diversified areas for which we are responsible.

Regarding our Trash Transfer Station: Although there are some in Town who feel the facility could be located at another site, we have tried to keep the facility as organized and attractive as possible. We realize that the site is just temporary and perhaps a study committee should be formed for acquisition of land in another area.

Cartographic Associates have completed our new tax maps this past year and we feel they did a very fine job. Many town's people have used them, and it has been an invaluable tool for the Selectmen. This is the first step for completion of the revaluation. You will note an article where the Selectmen are asking to borrow \$60,000 to be paid back over a three-year period for the completion of revaluation.

Our first step was the tax maps, which are now complete. After speaking with the State of NH Department of Revenue Administration, they indicated that all the monies must be available before we could be put on the waiting list for the reval of the 2000+ parcels to be done. They indicated that should the Town raise the money, we would be placed on the waiting list and possibly by late 1987 or early 1988 they could start the project. The time needed for completion would be approximately one year. The reason the Selectmen are asking for the entire sum at one time is that after speaking with the State, our cost per parcel has gone from \$29+ per parcel to \$35 per parcel. If we are to wait and raise only a small portion each year, then, by the time the full amount is allocated, we would surely see another increase. After speaking with a funding bank, the interest rate on the \$60,000 would be approximately 6% per annum and we can receive more than 6% return while it sits until the State gets to us.

As you are probably all aware, liability insurance premiums for our Town, as well as for other Towns is skyrocketing. This we have no control over, and can only hope that in the future, there will be a diminished number of claims throughout the State so that we can look forward to lower rates in the future.

Unfortunately, our newest Selectman, Tom Gould, has given his resignation effective at Town Meeting. Over the past year Tom has been a tremendous asset to our Board and his departure from the office is a great loss to the Town.

The Planning Board has been working very hard to develop a Community Planning Ordinance which we hope will be adopted by the townspeople. Without this ordinance, the Town is **left wide open** to any and all developers, in any location . . . and we all know what this means! In the past, when a dispute arises between a Planning Board and a developer, and it ends up in Court, the developer usually wins, as the Courts feel that if a Town doesn't care enough to have some sort of development plan, then the Town has no valid defense to oppose the development. We hope that you support your Planning Board and Selectmen by adoption of Community Planning Ordinance.

In conclusion, we can't thank enough all of the Departments and Department heads who have volunteered so many of their busy hours to keep the Town running smoothly. Please remember . . . we appreciate the townspeople's input, for we are here to serve, and YOU are the Town. We have a lovely community, one to be proud of, so **GET INVOLVED!**

Respectfully,
Joan Zelasny
Harry Power
Thomas G. Gould

LIBRARIAN'S REPORT

The library was open 7:00 to 9:00 Thursday evenings during 1985.

We hope to have the library painted this summer.

Many new people attended the library this year.

We extend a sincere thanks to all those people who made donations during the year. They were: *Muriel Quist, Charles Chandler, Mary Conklin, Kathleen Kingsbury, Henry Klie, Leigh Fosberry, Dorothy Patnode*, and anyone else who left books at the library anonymously.

Respectfully submitted,

Frances Rumrill, Acting Librarian

STODDARD FIRE & RESCUE DEPARTMENT

This year the Fire & Rescue Department answered a total of 34 calls, as follows:

Rescue Calls	15
Brush Fires	1
Chimney Fires	6
Mutual Aid Calls	5
Vehicle Fires	3
Wires down	1
Fire at Trash Compactor	1
Auto Accident	1

18 calls less than last year.

We sincerely apologize for not having the Fire Department building painted last summer, as we had all wished, but due to problems with the Painter's schedule early in the Spring, then problems with insurance later in the summer, coupled with a lack of aggressiveness on our part in the Fall, cold weather set in and the building still wasn't painted. The money allocated for the job has been carried over to this year and we assure you it will be painted early in the summer.

The building may not have gotten painted, but the Rescue Truck did, and so did the Brush Truck. The Rescue Truck was painted red with a large white stripe on the back portion of the body and accented with gold leaf lettering. The Brush truck was painted red with black fenders. Both trucks look great and we all wish to thank Wally Weaver for the wonderful job that he did on both.

Last year we began replacing some of the old hose that we are still trying to use. Some of this is dated 1945, but most of it was purchased with the FWD in 1955. We hope to continue to replace this hose a little each year until all our hose is up to date. Along with replacing out-dated hose, we would like to purchase some 4" hose. We realize that the cost of this hose is quite high, but we feel the benefits of large diameter hose far out-weighs the cost, especially in some of the out lying areas of Town where trucks wouldn't be able to go in, dump their water and turn around easily to go back after more. In a case like that, we would have to lay out two or more smaller lines which takes valuable time, and sometimes, that can't be afforded.

As always, the Fire & Rescue Department cleans chimneys, pumps wells and cellars free of charge to Town people. If you wish to have one of these services performed, contact either John Cressy at 446-7159 or Don Fleming 446-2247.

**REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER**

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with YOUR help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforecement of a state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

REPORT OF ANIMAL CONTROL OFFICER

Town of Stoddard, NH

We would like to take this opportunity to thank the people of Stoddard for being so supportive of us in our job as Animal Control Officers. We believe that most of the people in Town really care about their animals, just as we do. We do, however, have a few concerns and would like to share them with you.

The incidents of local dogs running at large seemed to increase slightly this year, which is a concern to us. We do not want to respond to a dog running at large call and arrive to find it hurt or dead on the highway. Also, the snow is so deep everywhere and the deer are at a dog's mercy. The fine for your dog chasing deer is high, but the price the deer or your dog may have to pay is even higher. Please, keep your dogs restrained and at home.

Stoddard is now enforcing a \$10 fee for dogs running at large. This was set up to defray some of the cost of Animal Control.

The law states that adequate shelter must be provided for your animals, and that they must be able to get into that shelter. The best dog house is of no use if your chained dog is tangled and cannot use his house. There are people in Town that are forgetting this, and consequently the dogs are forced to lay outside at the mercy of the cold, wet, windy days and nights. This is against the law and we will be checking for this problem continually. Please remember, your animals feel cold, pain and loneliness, just as we do.

Please call us immediately if your dog is missing so that we are aware and know that you, too, are concerned. A dog owner who calls us several days or even weeks after his dog is missing shows very little concern for the safety of his animal. We will do our best to help you find your pet.

We also ask that you feel free to call us if you ever suspect anyone of animal neglect or abuse. These calls can even be anonymous.

All dogs must be licensed by May 1st, or a penalty of \$1 per month after June 1st will be assessed.

Last, but not least, for you who may not be aware, we provide hay for dog coops, bunny hutches, etc. This hay is given freely by us because we want to see everyone's pets warm, dry and cozy...and because we really care for animals.

REPORT OF THE STODDARD CONSERVATION COMMISSION 1985

The Stoddard Conservation Commission held six business meetings during 1985. Other activities included a water quality educational class at Harris Center, and research projects and field trips concerning two Dredge & Fill Applications of which the Stoddard Main Company's proposed hydro-power project received priority and consumed much of the Commission's time and efforts. Reports concerning these applications were filed with the New Hampshire Wetlands Board and the Stoddard Selectmen.

The New Hampshire Department of Public Works and Highways was contacted concerning maintenance of the Stoddard Twin Arch Bridge.

Two Commission members represented Stoddard at the Annual Meeting of the New Hampshire Association of Conservation Commissions held in Concord, N.H. on November 2, 1985.

Charles Eaton resigned his membership on the Commission and there is one existing vacancy.

Expenses were limited to \$40.00 which represents the membership fee paid to the N.H. Association of Conservation Commissions. Members submitted no claims for reimbursement of personal expenses.

Respectfully submitted,
Charles Chandler, Co-Chairman
Mickey McKinley, Co-Chairman
Kathy Fleming, Jane Abert, John Lightbody, Jr.

ANNUAL

SCHOOL REPORT

TOWN OF

STODDARD

NEW HAMPSHIRE

1985

**STODDARD SCHOOL DISTRICT
SCHOOL WARRANT**

To the inhabitants of the School District of Stoddard qualified to vote in District Affairs:

Your are hereby notified to meet at the Stoddard Town Hall in said District on the 6th day of march, 1986 at eight o'clock in the evening to act upon the following subjects:

1. To choose by nonpartisan ballot the following School District officials:
 - A. Moderator for the ensuing year
 - B. Clerk for the ensuing year
 - C. Treasurer for the ensuing year
 - D. One School Board Member for the ensuing 3 years
 - E. Auditor for the ensuing year
2. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District, or to take any other action in relation thereto.
3. To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relating thereto.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, and for the payment of salaries of School District Officials and agents and for the payment of statutory obligations of the District or to take any other action in relation thereto.
5. To see if the District will vote to establish a School Lunch Program as legislated under RSA 189:11a and to raise and appropriate the sum of three thousand dollars (\$3,000.00) to defray the cost of implementing, equipping and operating the program for the 1986/87 school year, or to take any other action in relation thereto.
6. To see if the District shall amend the 1966 Keene Authorized Regional Enrollment Area plan serving grades 9-12 in the School Districts of Chesterfield, Harrisville, Keene, Marlow, Nelson, Stoddard, and Westmoreland in accordance with the provisions of the amended plan printed in this warrant. The text of the proposed amended plan is attached to this warrant and made a part of this warrant.
7. To see if the District will vote to raise and appropriate the sum of seven thousand seven hundred nine dollars (\$7,709.00) as a deficit appropriation for the 1985-86 school year, said amount to be turned over to the School District by the Town prior to June 30, 1986. (This amount is equal to the amount of anticipated revenues from sweepstakes, interest, building aid, handicap aid and federal block grant.)
8. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:
 - A. The money must be used for the legal purposes for which the School District can appropriate money.

B. The School Board must hold a public hearing on the action to be taken.
C. It shall not require the expenditure of additional School District funds.
This action is taken pursuant to the authority of RSA 198:20b, or take any other action in relation thereto.

9. To transact any other business that may legally come before said meeting. Given under our hands at said Stoddart this day of February, 1986.

NOTE: This is a draft of the proposed warrant submitted for printing purposes prior to the actual deadline for completion of the warrant. Please consult officially posted warrants for the finalized version.

Teacher Report

The educational program stresses Math, Metrics, Health, Social Studies, Science, Physical Education, Music, Art, and Computer Languages. Our Language Arts program has the following components: Reading Comprehension, Grammar, Structural Skills, Phonics, Spelling, Handwriting, Capitalization, Punctuation, Dictation, Creative Writing and Reading For Enjoyment. The manner in which the students are taught is varied. Some subjects are taught in small, on grade level groups, while others are done individually and independently. Occasionally, we work in large mixed grade level groups.

Some of the people who have contributed to the success of the school this past year are: Paraprofessional Aides - Robin Dunham and Sharyn Dinkel; Music Teacher - Karen Desrosiers; Nurse - Gail Johnson; Volunteer Physical Education Teacher - Mary Conklin; Custodian - Agnes Yocono. Many thanks to the P.T.A. for helping with, and funding some of our special programs. Thanks also to Muriel Quist for her continued help.

We have continued with the traditional programs of the past. In the spring we had Prize Speaking, Graduation and Memorial Day services. Congratulations to Denise Bernier, Christine Fleming, Shannon Sarcoine and Chris Fitzgerald. We had our end of the year picnic at Granite Lake in June. Since school has started we have had our annual Halloween costume parade and Christmas program. In June of 1985 our special field trip was to the Museum of Science in Boston.

In cooperation with the Guidance Department at Keene Junior High School, several programs are planned for sixth graders. These include a slide presentation, a question and answer period, a visit to the junior high school and a special meeting to acquaint parents with the junior high school.

I was again able to obtain a \$400.00 matching grant from the N.H. Commission on the Arts. This is part of the "Artists In The School" program. We enjoyed folk singer Margaret McArthur; dancing with Dudley Laufman; story telling and making jelly with Cora Bard; and bookmaking with Linda Morley. To culminate the year's activities we all enjoyed an old fashioned picnic with chicken, potato salad, blueberry cake and home made ice cream.

Several special programs were enjoyed in 1985. Slide presentations were given by I.F.Y.E. students from Cheshire County Extension Service. We participated in the the State of N.H. Classroom Flouride Mouth Rinse Program. Our 4th annual overnight was a success. In November and December the entire school participated in a weather unit. Janet Atolbell, an intern from the Harris Center, did an intensive weather unit with the students. Primary grades studied the seasons. A high point was the releasing of helium filled balloons with notes attached in hopes the persons who find them will let us know where and when.

Our Block Grant monies this year are being used on "Expanding Art Experiences". Eve Kenyan, a Keene artist worked with the children doing

still lifes and landscapes. Their works were exhibited at the town hall during Prize Speaking. The children took great pride in their accomplishments. In March we visited the Weaving Center at Harrisville Design. They lent us looms and gave us yarn. Mary Bishop of Alstead did weaving with the students. April found us trying our wings as actors and actresses, with the help of Mario Cosa doing mask making and performing some of Aesop's Fables for the preschoolers at the town hall.

This fall we went to the Art Gallery at Keene State for a special "hands on" exhibit. We saw a slide program on "Covered Bridges" compliments of the Cheshire Historical Society. We visited four covered bridges in Swanzey and ended the day at the Norwood Apple Orchards in Hancock. Follow up activities were done in art and cooking.

I would like to thank the Island Pond Association for their gift of two books on "Birds" and "Wildflowers" for our library. I would also like to thank parents, P.T.A. and towns people for their continued interest and support. We are proud of our school, come and visit us.

Respectfully submitted,
Barbara K. Cutting

STODDARD SCHOOL BOARD REPORT

The Stoddard School Board meets the first Thursday of every month at the James M. Faulkner Elementary School, at 7:30 P.M.. Anyone wishing to appear before the board is asked to please contact a board member so that your name can be added to the agenda. The board encourages parent and townspeople participation.

In addition to having the school's exterior painted this past year, new shrubs were planted along the front of the school building. Each year we try to make small improvements to the building and grounds.

The A.R.E.A. Agreement, which was rewritten and amended over the past year is ready to be presented to each sending district for their approval at the Annual School Meeting.

The board renewed a three year contract with Cheshire Transportation to continue service to Stoddard students. We will continue to use a feeder route driver for children living away from the regular bus route.

The school's music teacher, Mrs. Karen Desrosiers and her husband Reed, are expecting their first child early in 1986. Congratulations and thank you for continuing to service the Stoddard School.

Respectfully submitted,
Sue Bernier, Chairman

Nurse's Report

The school health program for the 1984-85 calendar year included the following student screenings: heights, weights, vision, hearing and scoliosis. Families were notified if a physician referral was indicated.

Four students received immunizations on May 15th at the Immunization Clinic held at the Hillsboro-Deering School to update their medical records.

Educational information was presented in the areas of personal hygiene, nutrition and staying physically and mentally fit.

PTO REPORT

The Stoddard PTO meets on the first Wednesday of the month at 7:30 p.m. at the school. Officers for this year include Debbie Colman, president; Diane Halter, vice-president; Brenda Valaincourt, secretary and Barbara Cutting, treasurer.

We are now PTO as opposed to PTA. In September the membership voted to sever our affiliation with the state and national organizations. Our small membership had made it difficult to follow state outlined programs and we preferred to simply function as a group of concerned citizens, devoting our energies to our school and our town.

Our activities for this year have included the purchase of shelves for the bookcase at school. We held a pot luck supper in April and a penny social in May. Our annual bake sale was held at the town meeting in March. We provided prizes and refreshments for prize speaking and graduation in June. At our get together supper in September we planned the halloween party for preschool and elementary students in October and of course our very special project, Santa's annual visit to the Christmas program.

Hot dog days continue to be well received at school. We've had a great deal of support and donations from all parents this year. Many thanks to all for making this ongoing project a success.

Our plans for the remainder of this year are not fully complete as yet. We do hope to be able to purchase some equipment for the school kitchen by the end of the year.

Our new PTO bylaws have no restrictions on membership. Whether you're a parent, a teacher, or an other, you're welcome to join us.

Respectfully submitted

Debbie Colman, President

**MINUTES
ANNUAL MEETING STODDARD SCHOOL DISTRICT**

Stoddard, NH March 7, 1985

At the Stoddard Town Hall at 8:00 PM the Moderator, Daniel Eaton, called the Meeting to order. He dispensed with the reading of the entire warrant and proceeded to read Article 1.

Article 1. Election of School District Officers. Sue Bernier moved to choose by non-partisan ballot the following School District Officials.

- A. Moderator for the ensuing year
- B. Clerk for the ensuing year
- C. Treasurer for the ensuing year
- D. One School Board Member for the ensuing three years
- E. Auditor for the ensuing year

Seconded by Joan Read and voted in the affirmative. At this time the Moderator declared a ten minute recess to allow for voting. At 8:15 PM he continued the Meeting with Article 2.

Article 2. Salaries

Sue Bernier moved that the salaries of the School Board and compensation for any other officers or agents of the District be accepted as printed in the proposed 1985-86 budget. Seconded by Barbara Cutting and voted in the affirmative.

Article 3. Reports

Sue Bernier moved to hear the reports of Agents, Auditors and Committes or Officers chosen and pass any vote relating thereto, and that the transportation Committee submit their report at this time. Seconded by Joan Read and voted in the affirmative. There were no reports given.

Article 4. Budget

Phil Hamilton moved that the District vote to raise and appropriate the sum of two hundred sixty five thousand, eight hundred and forty-seven dollars for the support of schools, and for the payment of salaries of School District Officials and Agents, and for payment of statutory obligations of the District, or to take any other action in relation thereto. Seconded by Sue Bernier and voted in the affirmative.

Article 5. School Lunch Program

Phil Hamilton moved that this Article be indefinitely postponed. Seconded by Joan Read and voted in the affirmative.

Article 6. Grants

Nancy Cressy moved that the district vote to authorize the School Board to apply for, accept and expend without further action of the School District Meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- A. The money must be used for the legal purpose for which the School District can appropriate money.
 - B. The School Board must hold a public hearing on the action to be taken.
 - C. It shall not require the expenditure of additional School District funds.
- This action is taken pursuant to the authority of RSA 198:20b, or take any other action in relation thereto. Seconded by Joan Read and voted in the affirmative.

Article 7. Other Business

There being no other business to come before the Meeting at this time, Sue Bernier moved that the Meeting be adjourned. Seconded by Barbara Cutting and voted in the affirmative. There being no other persons wishing to cast ballots the Moderator declared both the Meeting and the polls closed at 8:25 PM and the counting of the ballots followed.
